## ELEMENTARY FALL FIELD DAYS

### ELECTRICAL SAFETY

Jim, from South Central Electric, taught 4th graders about Electrical safety for 2023 Elementary Field Day!

A couple of weeks ago over 800 4th graders from our area schools came to the Southwest Research & Outreach Center by Lamberton to learn about safety! Students spent the day learning about electrical safety, static electricity, composting with worms, farm-to-food, farm equipment safety, and a visit from the Science Museum.

### SOUTHWEST RESEARCH CENTER

4th graders came from Westbrook Walnut Grove, Milroy, St. John's Lutheran School & Reede Gray in Redwood Falls, Samuel Lutheran from Marshall, St. Anne's & Public School from Wabasso, St. Paul's, Jefferson and St. Anthony's from New Ulm, Mt. Lake, Red Rock Central, Lakeview, Tracy, St. Raphael's & Public School from Springfield.

## No Bake Pumpkin Pie with Graham Cracker Crust

### Ingredients

- 2 cups canned pumpkin (NOT pumpkin pie mix)
- 1/2 cup sugar
- 8 ounces cream cheese
- 2-8 ounce containers Cool Whip or other whipped cream
- 1 tablespoon cinnamon
- 2 tablespoons pumpkin pie spice
- 1 teaspoon nutmeg
- 1 3.4 ounce box instant vanilla pudding
- 1 cup milk
- 2 pre-made graham cracker pie crusts

### Instructions

#### Bottom layer:

1. Add cream cheese, sugar and one 8 ounce tub whipped cream in a separate bowl and blend well with hand mixer.
2. Fill your pre-made crust with the bottom layer and then add the top layer.

#### Top layer:

1. Mix pudding and milk and stir until thick.
2. Add 2 cups of canned pumpkin.
3. Add pumpkin pie spice, nutmeg and cinnamon. Stir until blended.
4. Put this on top of the cream cheese layer.

#### Topmost layer:

1. Use the second 8 ounce container of whipper cream, to top the pies.
2. Refrigerate for at least an hour before eating so the pie has time to set completely.

*\*This recipe makes two pies. You can freeze this pie but we would recommend leaving off the whipped topping until you are ready to serve.*

## DECORATE SAFELY

Avoid real scares, and decorate safely.  
Only use cords and lights rated for outdoor use.
