It is important to have all information updated on your account. REC contacts members for planned outages, upcoming maintenance, before tree trimming, and for certain load management control updates. We have a lot of members with old contact information or no information at all. We do not solicit or send any advertising messages. Below are a few examples of what should be update regularly.

- * Phone number-so we can call reach you for important information
- * Email address-so you can receive your bill as soon as bills are processed.
- * 4 digit Security Pin code-this allows your spouse or anyone else you want to get account information. Account information can only be given to members listed on the account. This PIN # allows other people, you choose, access to your account.

REC FOCUSES ON SAFETY

This past month REC line crews and staff have been focusing on safety. We will be ready for any situation from CPR and AED training, to treating wounds and preventing accidents.
