STAY SAFE OUT ON THE

HUNT

Take precautions to stay safe on your next hunting expedition.

Know the signs of a heart attack or other life-threatening condition.

Have a way to get in touch with the outside world.

Always implement firearm safety techniques.

Do not lean a tree stand against a utility pole.

Do not fire at power lines, insulators or conductor cans.

Carry a first aid kit.

Check the weather in advance and be prepared.

Check tree stands regularly for stability.

Survey the area for potential electrical hazards.

Be visible: Wear blaze orange.

Learn more at: [SafeElectricity.org](https://www.SafeElectricity.org)

DECORATE SAFELY

Plug outdoor electric lights and decorations into outlets protected by ground fault circuit interrupters (GFCIs).

DISCONNECT NOTICE: Your electrical services will be disconnected on 10/10/2019 AT 9:00 AM due to non-payment. To avoid a collection fee and disconnection of services the balance must be paid in full or you must contact our office to discuss payment options by 10/06/2019. If your location is disconnected for non-payment, the entire balance, plus a disconnect/reconnect fee and security deposit must be paid prior to being reconnected.

Clements MN 56224-5000

Fall is around the corner and there will be many long hours spent working in the fields.

Redwood Electric would like to remind everyone to **LOOK UP** when moving farm equipment and

STAY A SAFE DISTANCE AWAY from power lines.

SHARE the ROAD with Farmers

Be safe.
Be courteous.

Farm season means sharing the road with large farm equipment. Farmers must move slowly in large equipment, but public roads are often the only available routes.

When you find yourself following or meeting large farm equipment on the road, do the following to keep everyone safe:

- 1 Be alert and cautious, and give large farm equipment and other slow-moving vehicles space.
- 2 Do not pass if you are in a "No Passing Zone," or in any area where it is not safe to do so, such as intersections, bridges and railroad crossings, among others.
- 3 Be careful when you do get the chance to pass. Oftentimes, farmers will move their equipment over when it is safe to do so.
- 4 Do not tailgate.
- 5 Make sure the tractor is not trying to make a left turn before you pass on the left.

Share the road with care. Farmers are just trying to get to and from their job, too.
